Unleash Your Education

Be A Goal Getter

Maximize speeches in your club. Double your educational expectation this year, especially during these first six months.

Club – We are continuing the Goal Getter Club ribbon to clubs that earn five Distinguished Club points by January 11. The qualifying club that earns the most points also will get their choice from the following: The Better Speaker Series, The Successful Club Series, The Leadership Excellence Series, or two modules from either the Success/Leadership or Success/Communications programs. Ties will be broken by drawing.

Individual - Earn an individual Goal Getter ribbon to Toastmasters who earn an educational award by January 11, 2010. The individual that earns the most awards will receive coupons from the D22 Store for any two Advanced Communications manuals. Ties will be broken by drawing.

Ribbons will be awarded at the general session at our winter Toastmasters Leadership Institute. You must be present to receive your award.
